People of Faith

Missouri IMPACT partners believe in a God of Compassion. As people of faith, we believe that God calls us to service, to share the burden of all who suffer, to care about what happens to children, the sick, the poor, the homeless. Missouri IMPACT is engaged in a political ministry to answer this call to service.

Charity is a matter of personal attributes, justice a matter of public policy. Charity seeks to alleviate the effects of injustice, justice seeks to eliminate the causes of it. Charity in no way affects the status quo, while justice inevitably leads to political confrontation.

—The Reverend William Sloane Coffin

With A United Voice

Missouri IMPACT works for public policy which reflects justice, peace, and the common good. By engaging in public policy advocacy in the political arena the religious community can witness to a vision of social justice focused on the common good.

Partners for Justice

IMPACT's ambitious goal is to involve the pastor or associate pastor and one or more parishioners of member judicatory congregations as "MO IMPACT Partners for Justice." Individual partners will be linked with thousands of other activists in the statewide MO IMPACT Network.

Partners will receive frequent email alerts during the legislative session. Partners will also be invited to a Missouri IMPACT legislative Briefing and Lobby Day in Jefferson City . Contact Rev. John Bennett, MO IMPACT Outreach Coordinator, for additional information or for a presentation regarding this new Partners for Justice initiative.
